The Search video series

To find clues as to the meaning of life, we first look at ourselves. Who am I? Is there more to me than matter? Is there more to us than meets the eye? We talk with neuroscientists, psychologists, composers, and artists to examine the mystery of you. If you're just a body, then satisfaction in life should come from tending to simple bodily needs. Fill your stomach, be comfortable. But there's more to you than that. You are material and immaterial. And that unseen part of you craves for so much more. As C.S. Lewis once said, "If we find ourselves with a desire that nothing in this world can satisfy, the most probable explanation is that we were made for another world."

We will be showing the search every Wednesday from 5:30-7:30. We will begin by sharing a meal, showing the video, and having thoughtful discussion. We are asking people if they are planning to attend to email Diana at d.conidi@hotmail.com or call the office 905-934-9703. We are asking everyone to bring \$5 or a free will offering for the meal this week.

The video series will be held on Wednesday October 15, 22nd, 29th, November 5, 12. We hope you will join us!

## Special Collection: World Mission Day -

World Mission Sunday calls Catholics worldwide to support the Church where it's young or challenged. Instituted by Pope Pius XI nearly a century ago, this collection remains unique as the only worldwide effort directly sustaining 1,124 mission territories where the Church is nascent, vulnerable, or facing persecution. Your prayers and donations provide essential resources for communities that cannot sustain themselves—funding church construction, pastoral care, education, and healthcare. When your parish participates, you join Catholics everywhere in making possible the work of missionaries who build churches, train seminarians, support catechists, and serve vulnerable communities. Together, we fulfill our baptismal call to share the

Gospel and become one Church bringing hope to all peoples.
