This Lent, Turn Debt into Hope

2025 is a Jubilee year. A year in which Pope Francis invites us to "forgive the debts of countries that will never be able to repay them." (Spes non confundit, 16). Development and Peace — Caritas Canada is responding to this call through the global Turn Debt into Hope campaign. Here are a few ways you can join us: 1. Donating online at devp.org/give or during the Solidarity Sunday collection on April 6, the fifth Sunday of Lent. Your generosity helps support over 79 projects in 34 countries around the world!

2. Get the Mini-magazine and follow the Solidarity Calendar with your family. Discover all the resources at devp.org/lent/resources.

Lent is a season of soul-searching and repentance. It is a season for reflection and taking stock. It is a preparatory time for Easter, when the faithful rededicate themselves and when converts are instructed in the faith and prepared for baptism. By observing the forty days of Lent, the individual Christian imitates Christ.
